### **Statement of Articles of Charge framed Sri N.Bhaskara Murthy, the then Manager (Dk-I) NHAH Hq now Assistant Executive Engineer(R&B) Dept.**

#### **Article:1**

That the said Sri N.Bhaskara Murthy, the then Manager (Dk-I) NHAH Hq now AEE(R&B) Dept. while working as Manager(T) DK-1, HQ, after evaluation of bids by the constituted committee; had put up noting file No.11015/4-1/2K/Tech/GM/(WB) wherein approval of the competent authority for recommendations of evaluation committee were solicited and had not pointed out the discrepancy in rates quoted for item No.2.02(b) because of which an undue benefit of approximately Rs.17.42 Crore was given to the lowest bidder, however, the actual amount of over payment on this account was worked out to be Rs.13.05 Crore. As such, he has violated Rule-3(1), Rule:3(3) of APCS (Conduct) Rules, 1964.

#### **Basis of charge:**

Tenders were called from the contractors for work at "Allahabad bypass project construction of road from KM 198 to 242.708 construction package ABP-3". After opening the bid on 22-10-2003 and subsequent evaluation of the bids, the bid evaluation report was finalised and recommended by the evaluation committee for award of work to lowest bidder i.e M/s oriental structural Engineers Pvt. Ltd – M/s KMC Construction Ltd(JV).

Later, an intensive examination of above project was carried out by the Chief Technical Examiner(CTE) of Central Vigilance Commission and stated that there was a discrepancy in the rates quoted for item no 2.02(b) as in words it is written as 'Two hundred and twenty two' and in figure it is '272'. The work was awarded by taking Rs 272 per cum and financial effect for this discrepancy is Rs 17.4 Crores. By checking the copy of note sheets of Procurement of Allahabad Bypass project, it is revealed that the note for the evaluation tender of said project was put up by Sri N.Bhaskara Murthy, the then Manager(DK-I)

and made excess payment of Rs 13.10 Crores to the contractor without taking the cognizance of clause 9 of preamble to Bill quantities.

After evaluation of bids by constituted committee, the officer Sri N.Bhaskara Murthy, being the manager(T) of the concerned Technical Division at NHAI HQ had put up the noting file wherein approval of the competent authority for recommendations of evaluation committee were solicited. However at this stage while putting up the noting, the discrepancy in the rates quoted for said item was not been pointed out.

As per clause 9 of preamble to bill of Quantities, where there is a discrepancy between amounts in figures and in words, the amounts in words will govern.

It was the responsibility of the officer to check the IPC and subsequently point out the discrepancy in the rates of said item while taking cognizance of clause 9 of preamble to BOQ.

From the above, it is evident that Sri N.Bhaskara Murthy, the then Manager (Dk-I) NHAI Hq now AEE(R&B) Dept and he failed to point out this discrepancy before bid evaluation committee and never pointed out anywhere in the file which is supposed to be prime responsibility of Manager(T). This amounts to dereliction of duties on his part.

Hence, the charge.
